

Austvent Downloadable Resource Checklists

1. Climate Disclosure Readiness Checklist (TCFD-Aligned)

Purpose: Helps clients prepare their internal governance, data, and strategy for alignment with global ESG disclosure frameworks.

Checklist Items:

- Identify Board-level climate-related governance roles
- Define climate-related risks & opportunities (physical & transition)
- Establish internal carbon pricing or proxy methodology
- Implement emissions data tracking (Scope 1–3)
- Conduct climate scenario analysis (1.5°C and 2°C)
- Integrate climate risks into enterprise risk management (ERM)
- Align disclosures with TCFD and IFRS Sustainability Standards
- Prepare internal audit/review process for disclosures
